Serving in Arctic Canada

Hello Ridgewood Church Family,

Our summer has breezed by us. This has by far been our busiest summer to date in the Arctic! We are very grateful for the different opportunities the LORD has brought our way this summer. While we carry on with our language studies, we find the need to be a lot more flexible throughout the summer so that we can take advantage of the good weather days to do things outside with our friends. *Please continue to pray for the relationships we are developing - that they might grow deeper and that our friends would be willing to help us learn more about life up here.*

On another exciting note, our Team is preparing to begin the first Ministry Opportunity Assessments (MOA). Doing MOAs in the communities in our region will help our team to better evaluate where we can allocate teams in the future in hopes to see the spread of the Gospel and growth of the Church in Arctic Canada. Please pray for wisdom and discernment for our Team as we prepare for MOAs. *Pray that the LORD would be preparing hearts in the communities our Team will be visiting, that we would have a warm welcome and profitable conversations. Pray for the logistics of the trip.*
