SERVANTS

Sean & Tiffany Priest

"Joy to the world," we proclaim with voices raised high! And we are lifted into so much of the wonder and praise of Jesus first coming to live among us.

Achok voices join ours in this joyous refrain. The Achok translation team has been taking their newly-revised hymn book and their music-loving group to village churches to spread worship along with the corrected, updated, expanded collection of songs.

Our own voices join in the praise from our own churches as we spend this season in Canada. Perhaps we will meet you in Ridgewood even as you read this!

Please pray with us for the mountaintop people, the Achok, on the other side of the world, and for ourselves and our families at this time of year: "Let every heart prepare him room."
