SERVANTS

Israel & Sandra, Sebastian Chavez-Plett

It feels like a beautiful season in our little church-plant called Life-Point (Punto Vida). For years we have been focused on children's outreach and ministry, and it is bearing fruit in our Sunday School class. Half of the kids come on their own, with their parents' permission. A wonderful representation of the story we see in the Bible where the little ones desire to be with Jesus. And a couple of weeks ago we started our first Sunday school class for youth. The youth all showed up that Sunday excited that there was finally something focused on THEM. Where they can open up about their questions, and interact with others their age. We are so encouraged to be at this stage in our church plant. And adult members of the church, like Chava in the picture, are stepping out in faith and enthusiasm and looking for ways to serve and be more involved in the church. As these things happen we are able to multiply our efforts and reach more people together. A beautiful experience of a church being activated and growing! Thanks to all who have been praying! We need those prayers more than ever so that our children, youth and adults would stay encouraged through obstacles, and growing in their faith. And wisdom for us as we lead and guide. Pray with us specifically for the next 2 months where we plan to be in Manitoba. Pray that the church would continue to be encouraged and growing in our absence. Pray for our family to be encouraged and refreshed during our months in Canada.
