Hadime Jr.

This weekend we hosted about 60 adolescent youth at the Matthew Training Center for our youth weekend called Hadime Jr.- Without Filters (Discovering Reality). Israel and I worked with our 8 Hadime students to plan, organize and execute this weekend. We have a great group of student leaders who are discovering their gifts and their call, and did a great job of pouring into the lives of these adolescents. Pray with us for our student leaders, as they discern how God is calling them into ministry in their different contexts. And pray for the 60 adolescents as many of them recommitted their lives to Jesus, others gave their lives to Him for the first time, and others are beginning to discover who He is. We know they face so many challenges and obstacles as they go back home to school and family dynamics, but we also know that the seeds planted in their lives are so important and can bear much fruit!
