SERVANTS

Mark & Gillian Wiewel

Hello from Prague!

As I type this, Mark and I are enjoying some ice cream in our flat. We have been in our flat two weeks now and are slowly settling in. We have built a lot of IKEA furniture and spent quite a few hours cleaning and arranging where things should go. I have also been able to meet and chat with our next-door neighbour.

Thank you for praying for our visa appointment that happened the week after we landed. It went well and our applications were accepted, now we just wait to hear that our visas have been granted.

Last week Mark went on the secondary retreat, which included all the students from grades 6-12. He found the three days allowed for a lot of bonding and getting to know students. Please continue to pray that he would build good relationships with his students. Mark estimates that about half of his class would be believers, so he has a great opportunity to both disciple and share the Gospel. I have been getting out each day and had the opportunity to join a moms’ group at a church, which has been a big blessing. Please pray for me, as I spend long days at home with Oliver and it can sometimes be very lonely.
